A New Year – A Fresh Start

2011 is in the books, it is now a part of our history. 2011 brought us many trials and many blessings, just like every other year.

As we look forward to this New Year what can we do to help insure that when it is over we will be glad instead of sad about the way we lived?

Seven Keys To Victory:

1. Read at least four chapters in your Bible every day.
2. Talk to the Lord in prayer every day.
3. Attend Church every time the doors are open.
4. Give at least 10% of your income to the building of the Kingdom through your local church.
5. Do your very best to be a good witness to the lost people in your world.
6. Ask God to help you to be the very best husband/wife or child that you can be this year.
7. Determine to be a Real Christian in every area of your life.
